YOUR CHANCE TO HELP MAKE A DECISION REGARDING WHERE TO PLACE TWO MORE SEATS FOR BENHILL RECREATION GROUND

Dear Residents

At the October meeting of the Sutton Local Committee it was agreed that £3,000 would be released from Public Realm monies to finance the following items:

A tree seat under the willow tree (similar design to the one shown on the enclosed plan)

Another Lavender flower bed situated by the willow tree near to Lavender Road.

2 more litter bins (which already have been installed) and 2 more free standing benches.

Sean, Janet and Graham would like to hear where you as users of the park would like the two extra seats to be sited. We have no fixed view where they should be, but we suggest that one of these seats is placed near to the Harold Road entrance.

Enclosed is a site plan of the park which may help you make your decision. The plan shows areas where our parks department have received requests **NOT** to put benches or asked to **REMOVE THEM**.

Can you please indicate on the site plan overleaf where you suggest that the extra 2 seats should be located?

Please can you return this letter that shows the site plan with your preferred locations clearly marked to **105 Benhill Road letter box by 23 November 2011?**

We look forward to hearing from you.
