Your Lib Dem Councillors - Working Closely with the Police to Cut Crime

Following a top level meeting between Tom Brake MP, Cllr Roger Thistle and Sutton Police, as well as correspondence between Tom and BP, security improvements to help cut crime at the local Wrythe Green BP garage have been agreed.

These include better training and surveillance which should help reduce the considerable amount of shoplifting and 'drive-outs' without paying at this site. Your Liberal Democrat ward councillors Colin Stears, Sue Stears and Roger Thistle all welcome this.

Roger said 'With residents' help, we will continue to work closely with the Safer Neighbourhood Police Team to reduce all aspects of crime in The Wrythe. We have an active and growing Neighbourhood Watch scheme

Tom Brake MP and Cllr Roger Thistle have taken action to help cut crime at the BP garage in Wrythe Green

in this ward and are happy to put anyone in contact.'

Lib Dem councillors in The Wrythe attend the Police Ward Panel on a regular basis and help prioritise action against certain crimes. The panel is currently focusing on speeding traffic and motor vehicle crime. The Police and Youth Service are keen to engage constructively with young people and encourage the take up of youth activities, such as skateboarding activity at Royston Park.

Big Society Sutton

Your Lib Dem team have been clearing old flower beds, collecting litter and recruiting for Neighbourhood Watch. If you would like to get involved in keeping the borough smarter, just let us know.

Pinner's Close

As we went to press, families were preparing to move into these brand new homes, built as a result of the partnership between Sutton's Lib Dem Council and major housing provider, Affinity Sutton.

Does anyone know who 'Mr Pinner' was? Answer in the next Focus!
