Wallington Improvements

Cllr Jayne McCoy in Beddington Gardens

The Stakeholders Group have been overseeing the work

Work is progressing well and the new paving has been well received.

The new soakaways in Beddington Gardens, Woodcote Road and Ross Parade have all been completed and got their first test when we had a sudden downpour at the end of April.

New bus shelters will be in place very soon and 30 minutes free parking will be available in the library car park from mid June

A Stakeholders' Group made up of Residents' Associations, local businesses, the police, friends of the library and local councillors is overseeing all of the work.

Your Councillors hold regular advice surgeries on the third Saturday of the month (except August) at Sainsbury's in Wallington from 10am - 11:30am

A refreshed zebra

Our Stafford Road zebra crossing was in a sad and sorry state, pitted with potholes after the winter ravages and the white stripes faded almost completely away.

Your ward councillors took pity on the zebra and asked that it be repaired and refreshed.

As you can see from the picture the zebra crossing is now fully restored.

Jayne, Monica and Colin took action to see that the crossing was fully restored.
