Give Us Back Our Streets

There are severe problems in the roads around St. Helier Hospital where staff and visitors park their cars and prevent residents from being able to find a space near their home. Sign our petition and join the campaign to 'Give Us Back Our Streets'

I/We the undersigned call on Epsom and St. Helier University Hospitals NHS trust to use the opportunity of the redevelopment of the hospital to increase the number of on-site parking spaces. This will relieve the pressure on the surrounding roads and improve the quality of life for residents.
